

Fairhaven Elementary School Uniform Policy

All Fairhaven students are expected to follow the school uniform policy. We encourage full participation in the uniform program as studies have shown that a school-wide uniform policy helps to support a more positive and productive learning environment for all students. If for some reason your child is unable to wear the school uniform, you will need to meet with the Principal and provide reason for not adhering to the uniform policy.

Spirit Wear

Spirit Wear includes clothing that was purchased for a school function that proudly displays the school logo. Examples of these include but are not limited to: Math Club, Student Council, and Jog-a-thon.

Dress Code Policy

Orange Unified School District School Board Policies and Administrative Regulations #5312 and #5316 clearly establish the standards for appropriate student attire in the Orange Unified School District. It is expected that all students at Fairhaven maintain a neat and orderly appearance. A student's dress and appearance should not draw undue attention, nor should appearance detract from or interfere with learning in the classroom or the discipline within the school. All dress code rules will be enforced while on the campus and during school activities.
