

Orange Unified School District Community Day School Expectations

Community Day School is built on the belief that all students can learn when given the appropriate environment, educational expertise, and opportunity. Community Day School will prepare students to successfully return to their comprehensive school setting. The school has developed a student Level System of Behavior. The Levels support the critical academic and behavioral needs of our students. Moreover, Student Levels serve as a system that allows staff and students to measure achievement of our Expected School-Wide Learning Results based on a rubric of evidence. It is a student centered method.

In order for a student to qualify to return to their school of residence they must achieve all Expected School-Wide Learning Results and reach a minimum of Level 2 status. The following expectations will support each student in reaching this goal.

- Will have good attendance.
- Will not bring to school markers/sharpies, hats, bandanas, beanies, backpacks and purses.
- Will not bring a cell phone or other electronic device. If I need to bring one, it will be off at all times and not visible while on campus.

- Will not get involved in any bullying, and/or verbal/physical altercations.
