

Business and Non-Instructional Operations

Transportation Routes and Service

Bus transportation may be provided for all elementary students living more than one (1) mile from their school of attendance; all middle school students living more than two and one half (2 ½) miles from their school of attendance; and all senior high school students living more than three (3) miles from their school of attendance.

The Superintendent or designee shall give due consideration to special problems such as transportation to special classes, hazardous conditions, etc.

The Superintendent or designee shall design school routes and stops.
