

**ORANGE UNIFIED SCHOOL DISTRICT  
ELECTRONIC NETWORK USE AGREEMENT**

**EMPLOYEE:** \_\_\_\_\_ **Date:** \_\_\_\_\_

District computer systems are for use by authorized individuals only. Any unauthorized access on these systems is prohibited and is subject to criminal and civil penalties under federal and state laws. Individuals using these systems are subject to having all activities on these systems monitored by system or security personnel. Individuals using these systems expressly consent to such monitoring. Any violation of federal or state laws, rules and regulations will subject the individual to termination of use without warning, and/or disciplinary action up to and including termination, and/or prosecution for unauthorized access on these computer systems. If monitoring reveals possible evidence of criminal activity, the District may provide the content of such monitoring to law enforcement and national defense agencies.

Also, it is possible for all users of the worldwide Internet, including a minor, to access information that is intended for adults. Although the Orange Unified School District has taken all reasonable steps to ensure the Internet is used only for purposes consistent with the curriculum, the District cannot prevent the availability of inappropriate material elsewhere on the Internet.

I have read Administrative Regulation 4040, Employee Use of Technology, and agree to adhere to these obligations and responsibilities. A copy of this material is attached hereto and incorporated herein as if fully set forth. By signing this Agreement, I agree that I will not use or copy, in whole or in part, any information that I am not authorized to access. I understand and accept the conditions stated herein, and agree to release from any liability, Orange Unified School District, its Governing Board, its officers and other employees from any claim arising out of the above-referenced obligations and responsibilities and/or this Agreement.

Should I breach this Agreement, I understand that my use may be restricted or I may lose all District network privileges, be subject to possible disciplinary action and/or may also be subject to prosecution under federal and state laws.
