

Certificated Personnel

Shared Teaching Assignments

The Board of Education realizes that for personal reasons, a certificated teacher sometimes may prefer to share the responsibility, salary and benefits of a full-time teaching position with one of his/her fellow teachers. When those sharing a position have compatible work patterns and similar goals, this situation can benefit teachers and students alike. By accommodating requests for shared teaching assignments, the District is more likely to retain teachers of outstanding capabilities.

The Superintendent or designee may authorize two teachers to share one full-time teaching assignment.
