Release of Directory Information

The Board of Education recognizes the importance of maintaining the confidentiality of directory information and therefore authorizes the release of such information only in accordance with the law, Board policy, and administrative regulation.

Under no circumstances shall directory information be disclosed to a private profit-making entity, except for representatives of the news media and employers or prospective employers. Private schools and colleges may be given the names and addresses of 12th grade students and students no longer enrolled provided they use this information only for the purposes directly related to the institution's academic or professional goals.

Representatives from the military shall have access to a student's name, address, and telephone number, unless the parent/guardian has specified that the information not be released in accordance with law and administrative regulation. (20 USC 7908; 10 USC 503; Education Code 49603)

The Superintendent or designee may limit or deny the release of specific directory information to any public or private nonprofit organization based on his/her determination of the best interest of the student.
