Hello Parents & Guardians,

November is going to be a busy month. We have a lot going on, so please keep this newsletter close by and handy. We will be registering for Winter Camp this month. The dates for that are Wednesday, November 8th through Thursday, November 16th. As long as there is space available at Cambridge. We will be closed on Friday, November 10th to salute and celebrate our Veterans. If you have any changes such as email addresses or phone numbers please let a staff member know. Also, we will be having full days here for the 3 days before Thanksgiving. Please look for the flyer that will help us to know how many children will attend that week.

Thank you, Nohl Canyon Staff!

**Nutrition & Health Fact:** Turkey is low in fat and high in protein. It is an inexpensive source of iron, zinc, phosphorus, potassium and B vitamins. A serving of turkey is a 2 to 3 ounce cooked portion. The Food Guide Pyramid suggests 2 to 3 servings from the meat group each day.
