STRATEGIC PLAN

GOAL #3 SAFE, WELCOMING SCHOOLS

***GOAL: STUDENTS WILL LEARN AND STAFF
WILL WORK IN A SAFE ENVIRONMENT.***

STRATEGY IMPLEMENTATION

- Provide all staff with annual district or site-based training
- Focus trainings on proactive strategies for identifying and eliminating potential problems
 - Monthly Assistant Principal's meetings
 - Specialized training for specific groups of employees

STRATEGY IMPLEMENTATION

- Tabletop exercises at every school site
- Recognizing and partnering with other institutions and agencies to deliver relevant training to our staff
- Providing informational media to parents and students on relevant school safety topics
- Drills

STRATEGY IMPLEMENTATION

- Continue the ongoing development and revision of site safety plans as a foundation for disaster preparedness
 - Education Code 32282 – Comprehensive Safe School Plan
 - A major component of this plan is the individual school emergency plan

STRATEGY IMPLEMENTATION

- Track and evaluate safety data through AERIES
 - New codes and sub-codes have been created to better track, analyze and report data
- Design new strategies/responses for dealing with the relevant issues
 - Modify /change / adapt/ develop

STRATEGY IMPLEMENTATION

- Continue to collaborate with police, fire, social services, and other safety agencies
 - Routine meetings with public safety agencies
- Require students and staff to wear school ID badges

STRATEGY IMPLEMENTATION

- Provide a school-specific, anonymous WE-TIP line
 - WE-TIP will not provide service for individual schools
 - Investigating alternatives
- Increase adult visibility by including key supervisory locations and a delineation of supervisory responsibilities in each school's Safety Plan
 - Included and mapped in each site plan

STRATEGY IMPLEMENTATION

- Share available resources between schools and offices when possible
 - SCS is leveraging ability to support schools and share resources
 - Female security staff
 - The resource of knowledge
