

RESOLUTION NO. 03-16-17

RESOLUTION OF THE BOARD OF EDUCATION OF THE
ORANGE UNIFIED SCHOOL DISTRICT ORDERING
SCHOOL BOND ELECTION, AND AUTHORIZING
NECESSARY ACTIONS IN CONNECTION THEREWITH

REGISTRAR OF VOTES
COUNTY OF ORANGE

16 AUG 11 A7 58

WHEREAS, the Board of Education (the "Board") of the Orange Unified School District (the "District"), located within the County of Orange, California (the "County"), is authorized to order elections within the District and to designate the specifications thereof, pursuant to Sections 5304 and 5322 of the California Education Code (the "Education Code"); and

WHEREAS, the Board is specifically authorized to order elections for the purpose of submitting to the electors the question of whether bonds of the District shall be issued and sold for the purpose of raising money for the purposes hereinafter specified, pursuant to Education Code Sections 15100 *et seq.*; and

WHEREAS, pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution, and Section 15266 of the Education Code, school districts may seek approval of bonds and levy an *ad valorem* tax to repay those bonds upon a 55% vote of those voting on a proposition for the purpose, provided certain accountability measures are included in the proposition, including performance and financial audits and oversight by an independent citizens' oversight committee to ensure that all funds are spent properly and as promised to the voters; and

WHEREAS, the Board deems it necessary and advisable to submit such a bond proposition to the electors, which, if approved by 55% of the votes cast, would permit the District to issue its bonds; and

WHEREAS, such a bond election must be conducted concurrent with a statewide primary election, general election or special election, or at a regularly scheduled local election at which all of the electors of the District are entitled to vote, as required by Section 15266 of the Education Code; and

WHEREAS, on November 8, 2016, a statewide general election is scheduled to be conducted throughout the District; and

WHEREAS, the Board has determined that, based upon a projection of assessed property valuation, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the maximum tax rate permitted by Section 15270 of the Education Code; and

WHEREAS, Section 9400 *et seq.* of the California Elections Code (the "Elections Code") requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, in an effort to increase competition and maintain fairness among all potential contractors, reduce costs of construction, and efficiently apply taxpayer dollars, the Board, to the extent doing so is not prohibited by law (including the doctrines of legislative entrenchment and the single subject rule) and does not eliminate any eligibility for potential State or federal funding or financial assistance, as part of the bond proposition, desires to provide that the District will not build and maintain bond-financed facilities under a project labor agreement; and

WHEREAS, the Board now desires to authorize the filing of a ballot argument in favor of the bond proposition to be submitted to the voters at the election; and

NOW, THEREFORE, be it resolved, determined and ordered by the Board of Education of the Orange Unified School District as follows:

Section 1. **Recitals.** All of the above recitals are true and correct.

Section 2. **Specifications of Election Order; Required Certification.** Pursuant to Education Code Sections 5304, 5322, 15100 *et seq.*, and 15266, a special election shall be held within the boundaries of the District on November 8, 2016, for the purpose of submitting to the registered voters of the District the bond proposition contained in Exhibit A attached hereto and incorporated herein. In accordance with Section 1 of Article XIII A of the California Constitution, and as provided in the text of the bond proposition, the Board hereby certifies that it has evaluated safety, class size reduction and information technology needs (including career technical education needs) in developing the bond project list set forth in the bond proposition.

Section 3. **Conduct of Election.** (a) *Request to County Officers.* Pursuant to Section 5303 of the Education Code, the Registrar of Voters of the County (the “Registrar of Voters”) is required to, and is hereby requested to, take all steps to hold the election in accordance with law and these specifications.

(b) *Abbreviation of Proposition.* Pursuant to Section 13247 of the Elections Code and Section 15122 of the Education Code, the Board hereby directs the Registrar of Voters to use the following abbreviation of the bond proposition on the ballot:

“To repair and modernize aging high school classrooms, labs and school facilities, including deteriorated roofs, plumbing, and electrical systems, complete earthquake safety retrofits, improve campus safety/security, and upgrade career-training facilities, science labs, libraries, and technology that support student achievement in math, science, engineering and skilled trades, shall Orange Unified School District issue \$288,000,000 in bonds, at legal interest rates, with independent citizen oversight, no money for administrators’ salaries, and all money locally-controlled?”

(c) *Voter Pamphlet.* The Registrar of Voters is hereby requested to reprint the full text of the bond proposition as set forth in Exhibit A in its entirety in the voter information pamphlet to be distributed to voters pursuant to Section 13307 of the Elections Code. In the event the full text of the bond proposition is not reprinted in the voter information pamphlet in its

entirety, the Registrar of Voters is hereby requested to print, immediately below the impartial analysis of the bond proposition, in no less than 10-point boldface type, a legend substantially as follows:

“The above statement is an impartial analysis of Measure ___. If you desire a copy of the measure, please call the Orange County Registrar of Voters at (714) 567-7600 or the Orange Unified School District at (714) 628-4479, and a copy will be mailed at no cost to you. Measure ___ is also available on the Internet at <http://www.orangeusd.k12.ca.us/>.”

(d) *Accountability Safeguards.* In the event the full text of the bond proposition is not reprinted in the voter information pamphlet in its entirety, the Registrar of Voters is hereby requested to include the following statement in the ballot in compliance with Section 15272 of the Education Code:

“If Measure ___ is approved, the Board of Education of the Orange Unified School District will appoint a citizens’ oversight committee and conduct annual independent audits to assure that bond funds are spent only on the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and for no other purposes.”

(e) *State Matching Funds.* The District has determined that the projects to be funded from the proposed bonds will not require State matching funds for any phase thereof, and that Section 15122.5 of the Education Code does not apply to the bond proposition, and accordingly, the Registrar of Voters is directed not to include the disclosure otherwise required by Section 15122.5 of the Education Code.

(f) *Consolidation Requirement.* Pursuant to Section 15266(a) of the Education Code, the election shall be consolidated with the statewide general election on November 8, 2016, and pursuant to Part 3 (commencing with Section 10400) of Division 10 of the Elections Code, the Registrar of Voters and the Board of Supervisors of the County are hereby requested to order consolidation of the election with such other elections as may be held on the same day in the same territory or in territory that is in part the same. The District hereby acknowledges that the consolidated election will be held and conducted in the manner prescribed by Section 10418 of the Elections Code.

(g) *Canvass of Results.* The Board of Supervisors of the County is authorized and requested to canvass the returns of the election, pursuant to Section 10411 of the Elections Code.

(h) *Required Vote.* Pursuant to Section 18 of Article XVI and Section 1 of Article XIII A of the California Constitution, the bond proposition shall become effective upon the affirmative vote of at least 55% of those voters voting on the proposition.

(i) *Election Costs.* The District shall pay all costs of the election approved by the Board of Supervisors of the County pursuant to Education Code Section 5421.

Section 4. Delivery of Order of Election to County Officers. The Clerk of the Board of the District is hereby directed to cause to be filed as soon as practicable, and in any event no later than August 12, 2016 (which date is not fewer than 88 days prior to the date set for the election), one copy of this Resolution to the Registrar of Voters, including the tax rate statement attached hereto as Exhibit B, containing the information required by Elections Code Section 9400 *et seq.*, completed and signed by the Superintendent of the District, and shall file a copy of this Resolution with the Clerk of the Board of Supervisors of the County.

Section 5. Ballot Arguments. The President of the Board, or any member or members of the Board as the President shall designate, are hereby authorized, but not directed, to prepare and file with the Registrar of Voters a ballot argument in favor of the bond proposition, within the time established by the Registrar of Voters, which shall be considered the official ballot argument of the Board as sponsor of the bond proposition.

Section 6. Further Authorization. The members of the Board, the Superintendent of the District, and all other officers of the District are hereby authorized and directed, individually and collectively, to do any and all things that they deem necessary or advisable in order to effectuate the purposes of this resolution in accordance with the terms hereof and of applicable provisions of law.

Section 7. Effective Date. This Resolution shall take effect upon its adoption by a two-thirds vote.

PASSED AND ADOPTED this day, July 21, 2016, by the following vote:

AYES: 7

NOES: 0

EXHIBIT A

FULL TEXT OF BOND PROPOSITION

ORANGE UNIFIED SCHOOL DISTRICT CLASSROOM & FACILITY SAFETY, MODERNIZATION AND RENOVATION MEASURE

This Proposition may be known and referred to as the “Orange Unified School District Classroom & Facility Safety, Modernization and Renovation Measure” or as “Measure ___”. [*designation to be assigned by County Registrar of Voters*]

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the Orange Unified School District (the “District”) shall be authorized to issue and sell bonds of up to \$288,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed under the heading entitled “BOND PROJECT LIST” below (the “Bond Project List”), and qualify to receive State of California matching grant funds, subject to all of the accountability safeguards specified below.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Sections 15264 and following of the California Education Code (the “Education Code”).

Evaluation of Needs. The Board of Education of the District (the “Board”) has reviewed the District’s high school facilities master plans in order to evaluate and address the facilities needs of the District and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology needs (including career technical education needs) in developing the Bond Project List.

Limitations on Use of Bonds; Allocation of Proceeds. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Proceeds from the sale of bonds authorized by this proposition shall be expended equally among the high schools listed in the Bond Project List.

Independent Citizens' Oversight Committee. The Board shall establish an independent citizens' oversight committee (pursuant to Education Code Section 15278 and following), to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. The committee shall be established prior to 60 days of the date when the results of the election appear in the minutes of the Board. In accordance with Section 15282 of the Education Code, the citizens' oversight committee shall consist of at least seven members and shall include a member active in a business organization representing the business community located within the District, a member active in a senior citizens' organization, a member active in a bona fide taxpayers' organization, a member that is a parent or guardian of a child enrolled in the District, and a member that is both a parent or guardian of a child enrolled in the District and active in a parent-teacher organization. No employee or official of the District and no vendor, contractor or consultant of the District shall be appointed to the citizens' oversight committee.

Annual Performance Audits. The Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for performance audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Annual Financial Audits. The Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed in the Bond Project List. These audits shall be conducted in accordance with the Government Auditing Standards issued by the Comptroller General of the United States for financial audits. The results of these audits shall be made publicly available and shall be submitted to the citizens' oversight committee in accordance with Section 15286 of the Education Code.

Special Bond Proceeds Account; Annual Report to Board. Upon approval of this proposition and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause a report to be filed with the Board no later than January 1 of each year, commencing January 1, 2018, stating (a) the amount of bond proceeds received and expended in that year, and (b) the status of any project funded or to be funded from bond proceeds. The report may relate to the calendar year, fiscal year, or other appropriate annual period as the Superintendent of the District shall determine, and may be incorporated into the annual budget, audit, or other appropriate routine report to the Board.

Project Labor Agreements. In an effort to increase competition and maintain fairness among all potential contractors, reduce costs of construction, and efficiently apply taxpayer dollars, the District, to the extent doing so is not

prohibited by law (including the doctrines of legislative entrenchment and the single subject rule) and does not eliminate any eligibility for potential State or federal funding or financial assistance, hereby declares that it shall not build and maintain bond-financed facilities under a project labor agreement.

State of California Matching Grant Funds. In order to maximize community benefit and efficiently apply taxpayer dollars, the District hereby declares its intention to seek, where practical and economical, State of California matching grant funds for eligible projects.

Other Accountability Safeguards. To the extent doing so is not prohibited by law (including the doctrines of legislative entrenchment and the single subject rule), (i) the District shall continue to budget from its general fund a reserve for economic uncertainties at the legal requirement, currently 3 percent of general fund expenditures, (ii) the District shall continue to contribute the legally required amount to its routine restricted maintenance account from non-bond proceeds, currently 3 percent of general fund expenditures, (iii) the District shall issue the bonds incrementally in response to the District's needs, (iv) the District shall structure the bonds to mature in compliance with Section 147(b) of the Internal Revenue Code (or any successor thereto), and (v) the District shall set aside from non-bond funds, and deposit in an interest-earning account, an amount at least equal to 2% of the authorized amount of bonds sought under this proposition for future construction and repair of District facilities.

FURTHER SPECIFICATIONS

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Education Code Section 15100, and all the enumerated purposes shall constitute the specific single purpose of the bonds, and proceeds of the bonds shall be spent only for such purpose, pursuant to California Government Code Section 53410.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest shall be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than the statutory maximum number of years from the date borne by that bond.

BOND PROJECT LIST

The Bond Project List below lists the specific projects the District proposes to finance with proceeds of the bonds. The Bond Project List shall be considered a part of the bond proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition. Listed projects will be completed as needed at a particular school or facility site according to Board-established priorities, and the order in which such projects appear on the Bond Project List is not an indication of priority for funding or completion. Any authorized repairs shall be capital expenditures. The project list does not authorize non-capital expenditures. Each project is assumed to include its share of construction-related costs, such as project and construction

management, architectural, engineering, inspection and similar planning and testing costs, demolition and interim housing costs, legal, accounting and similar fees, costs related to the independent annual financial and performance audits, a contingency for unforeseen design and construction costs, and other costs incidental to and necessary for completion of the listed projects (whether the related work is performed by the District or third parties). The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects. Alternatively, if the District obtains unexpected funds from non-bond sources with respect to listed projects, including State of California grant funds for eligible projects, such projects may be enhanced, supplemented or expanded to the extent of such funds. Some projects may be subject to further government approvals, including by State officials and boards and/or local environmental or agency approval. Inclusion of a project on the Bond Project List is not a guarantee that the project will be completed (regardless of whether bond funds are available).

The specific projects authorized to be financed with proceeds of the bonds under this proposition are as follows:

SAFETY, MODERNIZATION AND RENOVATION PROJECTS	
The following projects are authorized to be financed at the District's high schools:	
Canyon High School	El Modena High School
Orange High School	Villa Park High School
CORE INFRASTRUCTURE	
Update core infrastructure and utility systems. Repair or replace leaky roofs, old rusty plumbing and faulty electrical systems.	
<ul style="list-style-type: none"> • Renovate, replace, upgrade, acquire, install and/or integrate major site/building/utility systems, equipment and related infrastructure and housing, including lighting, plumbing, electrical (including wiring and related infrastructure for modern technology), heating, refrigeration, cooling and ventilation, water, sewer, gas, irrigation, drainage, and energy efficiency/management monitoring systems, networks, fixtures, equipment and controls. • Repair, renovate and/or replace roofing. • Inspect buildings and other structures and renovate, replace and/or improve such structures to eliminate/mitigate any structural deficiencies or dry rot, termite, mold or similar damage or hazards. 	

INSTRUCTIONAL FACILITIES

Provide modern classrooms and labs for academic, career education and STEM (science, technology engineering, math) courses that support careers in health sciences, engineering, technology and skilled trades. Provide modern science labs for advanced courses required by colleges and universities for admission.

- Modernize, upgrade, renovate, rehabilitate, re-configure, construct, expand, upgrade and equip classrooms, classroom buildings, laboratories, restrooms, common areas and school support facilities, including library, multipurpose room/auditorium, food storage, preparation and service, cafeteria, music, theater, dance and other arts, career and technical education, operations and maintenance, and office, staff and administrative support facilities, whether permanent, portable or modular, including interior and exterior (as applicable) doors, windows, door and window hardware, roofs, rain gutters and downspouts, walls, ceilings and floors and finishes, paint, siding, insulation, casework, cabinets, secured storage, carpets, drapes, window coverings, infrastructure, lighting, sinks, drinking fountains, fixtures, signage, fencing, landscaping, furniture and equipment.
- Replace portable classroom buildings with permanent, portable or modular classroom buildings.
- Furnish and equip classrooms and other school facilities, including, but not limited to, desks, chairs and classroom furniture, science and lab equipment, school-site maintenance equipment, "cubicle" partitions, chairs, storage units and school office equipment, including initial purchases and replacement of equipment and furniture as needed.

EDUCATIONAL TECHNOLOGY

Update instructional technology throughout high school campuses. Upgrade academic classrooms, career-training facilities, and science labs to keep pace with advancing technology.

- Acquire and install technology equipment, fixtures and infrastructure, including interactive educational technology, digital projectors and cameras, monitors, audio systems, video systems, network equipment (including servers, network interface devices, network switches and routers, wireless network equipment, firewalls, software, network security equipment, racking, power and cooling equipment, wiring and uninterruptible power supplies), etc.; rehabilitate and replace such equipment, fixtures and infrastructure as needed. Technology equipment, fixtures and infrastructure including existing technology equipment, fixtures and infrastructure as well as technology equipment, fixtures and infrastructure developed in the future.

ENERGY EFFICIENCY

Improve energy efficiency and reduce utility costs, install renewable energy and/or energy-saving systems. Improve heating, ventilation, insulation, doors, and windows for increased energy efficiency.

- Acquire, install, upgrade and/or construct renewable energy and/or energy-saving

systems, improvements and equipment, including electricity generation and distribution systems and/or water heating systems, natural light improvements, upgraded insulation and roofing, efficient lighting, windows and window coverings, shade structures, energy management and conservation systems, and other passive technologies, and structures to support such systems, improvements and equipment and related infrastructure. Renewable energy and/or energy-saving systems include existing systems as well as systems developed in the future.

SAFETY & SECURITY

Retrofit older school buildings for earthquake safety. Improve student safety and campus security systems, including security lighting, cameras, emergency communications systems, smoke detectors, fire alarms, and sprinklers. Remove hazardous materials from school sites. Improve access to school facilities for students with disabilities.

- Improve, correct, restore or renovate grounds, buildings and structures or portions thereof to eliminate or mitigate health and safety risks to students, faculty, staff, parents and the public or comply with local, state and federal building, health, safety, access and other related requirements, including seismic safety requirements, Field Act requirements and access requirements of the Americans with Disabilities Act (ADA).
- The inspection, sampling and analysis of grounds, buildings and building materials to determine the presence of hazardous materials or substances, including asbestos, lead, etc., and the encapsulation, removal, disposal and other remediation or control of such hazardous materials and substances.
- Construct, improve, replace, renovate and rehabilitate internet or other network access systems, and telephone, radio, fire alarm, public address, intrusion alarm and surveillance and other security systems.

MISCELLANEOUS

All listed bond projects include the following as needed:

- Planning, designing and providing temporary housing necessary for listed bond projects.
- Necessary onsite and offsite preparation or restoration in connection with new construction, renovation or remodeling, or installation or removal of relocatable buildings, including demolition of structures; removing, replacing, or installing irrigation, drainage, utility lines (gas, water, sewer, electrical, data and voice, etc.), trees and landscaping; relocating fire access roads; and acquiring any necessary easements, licenses, land or rights of way made necessary by listed bond projects.
- Address other unforeseen conditions revealed by construction, renovation or modernization (including plumbing or gas line breaks, dry rot, seismic and structural deficiencies, etc.).
- Acquire or construct storage facilities and other space on an interim basis, as needed to accommodate construction materials, equipment, and personnel, and interim classrooms (including relocatables) for students and school functions or

other storage for classroom materials displaced during construction.

- All other costs and work necessary and incidental to the listed bond projects.

EXHIBIT B

TAX RATE STATEMENT

An election will be held in the Orange Unified School District (the "District") on November 8, 2016, to authorize the sale of up to \$288,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the Bonds in multiple series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 2.90 cents per \$100 (\$29 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is 2.90 cents per \$100 (\$29 per \$100,000) of assessed valuation in fiscal year 2022-23.
3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is 2.90 cents per \$100 (\$29 per \$100,000) of assessed valuation and is expected to remain approximately the same in each year during the term of repayment of the bonds.
4. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all of the bonds are issued and sold is \$590,400,000. Pursuant to California Education Code Section 15144.1, the ratio of total debt service to principal for each bond series shall not exceed 4 to 1, and the best estimated ratio of total estimated debt service to principal if all of the bonds are issued is 2.05 to 1.

Voters should note that estimated tax rates are based on the *ASSESSED VALUE* of taxable property on the County's official tax rolls, *not* on the property's market value, which could be more or less than the assessed value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Certain taxpayers may also be eligible to postpone payment of taxes. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply, and the actual total debt service, may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors, including the legal limitations on bonds approved by a 55% affirmative vote. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

Dated: 7-21, 2016.

Michael L. Christensen,
Superintendent of Schools
Orange Unified School District

CLERK'S CERTIFICATE

I, Kathryn A. Moffat, Clerk of the Board of Education of the Orange Unified School District, of the County of Orange, California, hereby certify as follows:

The attached is a full, true and correct copy of a resolution duly adopted at a regular meeting of the Board of Education of the District duly and regularly held at the regular meeting place thereof on July 21, 2016, and entered in the minutes thereof, of which meeting all of the members of the Board of Education had due notice and at which a quorum thereof was present. The resolution was adopted by the following vote:

AYES: 7

NOES: 0

ABSTAIN: 0

ABSENT: 0

An agenda of the meeting was posted at least 72 hours beforehand at 1401 N. Handy St. Orange, California, a location freely accessible to members of the public, and a brief description of the adopted resolution appeared on the agenda. A copy of the agenda is attached hereto. The resolution has not been amended, modified or rescinded since the date of its adoption, and the same is now in full force and effect.

WITNESS my hand this 21st day of July, 2016.

Kathryn A. Moffat,
Clerk of the Board of Education
Orange Unified School District
