- Learn the Ten Commandments of Parenting and gain the skills, strength and wisdom needed to successfully steer your adolescent through the difficult teenage years.
- Learn how the teen brain works—and how it doesn't work—that results in their sometimes 'crazy' behavior.
- Hear the top ways to earn your kid's respect (and the three top ways to destroy it).
- Find out how to emerge from the teen years with your family intact!

"You'll be the 'crazy one' if you attempt to raise a teenager without the wisdom you'll find on every page of the extraordinary book."
