Anaheim Hills Rotary Donates to OUSD Schools

ORANGE, Calif., May 2, 2011—The Orange Unified School District is pleased to announce that the Anaheim Hills Rotary Club awarded a total of \$900 in grants to each of the following schools in the form of a Rotary Book Certificate to be used through Scholastic Books. The schools include: Anaheim Hills Elementary, Canyon Rim Elementary, Crescent Elementary, Imperial Elementary, Nohl Canyon Elementary, and Running Springs Elementary.

Additionally, the Rotary Club recently completed a Courtyard Landscape Project in collaboration with Armstrong Garden Center and their employees at Canyon Hills School.

Dr. William Gee, Canyon Hills Principal, stated, "The landscaping created by the Rotary Club enhances the beauty of the courtyard at Canyon Hills School. The improvements are near the entrance to the school. This would not have happened without the Rotary Club's involvement and their outreach to Armstrong Garden Center which donated the plants and groundcover."

Finally, the Anaheim Hills Rotary Club is also contributing 100 electric toothbrushes to the students at Canyon Hills. These toothbrushes will be kept at the school and used as students learn proper hygiene.

The Orange Unified School District is located at 1401 North Handy Street in Orange, CA
