Parent Involvement

Parent Involvement has been an instrumental key to our success at California Elementary School. The first Thursday of the month starting at 8:00 AM has been dedicated for our Parent Involvement Seminars. We have speakers on topics that parents have indicated an interest in learning about. Our Parent Involvement Seminars are always well attended by 60-70 parents. In addition, we hold monthly Parent Workshops that involve more in depth hands-on training for parents on topics that they have

expressed interest in learning like technology, Digital Literacy, Healthy Lifestyle, etc. We also hold at least one Parent/Family Involvement event a month. We recently held our 1st Family BBQ & Reading lunch that was attended by over 140 participants. Please visit our school website for all our opportunities to get involved with our school.
