Full Steam Ahead!

Panorama Elementary School is full steam ahead with many amazing programs and activities for our Panthers to learn how to be future citizens!

Panorama held its first-ever online election for student council. We had over 40 students vying for 15 positions. Each student presented a speech, and voting took place in the classrooms via our Bring Your Own Device (BYOD) program. The students had a blast and learned about politics and our presidential election in

the process.

Red Ribbon Week was held during the last week of October. Students started the week with a pledge to be drug free. They wore special clothing each day to signify a drug-free life, created a bulletin board, and participated in classroom poster contests. We finished the week with an assembly by the Orange County Sheriff's Department, who brought their police dog and put on a demonstration to educate students about the dangers of drugs.

Panorama has a new mascot! It is a blue panther and students are voting on election day to name our new furry friend.
